January Meeting

We had a small meeting and auction at our January meeting. The weather wasn't all that cooperative, which isn't surprising for January. We had an informal discussion and just tossed things back and forth.

We talked of some things that we need to do. For instance, what are we going to do with our 2fers? They seem to attract attention at the meetings. Do we keep them or auction some/all of them off.? Do we use the proceeds to get more kiloware and put that in the 2fers? We'd like to hear your ideas on the matter.

Do we need to name/elect a program chairman whose duties will be dedicated to the programs presented from time to time at our meetings? We've always said that we need to get more members actively involved in the club activities. Maybe this is one way to implement that.

We need to update the countries/areas that we want the APS to send us in their circuits. Use the form on the back of this newsletter to let us know if you want us to continue receiving the circuits and what you want them to send.

We're also looking for an Exhibit Chair for Peach State. Bob Davidson, the former chair, passed away on Jan. 12 and we need someone to replace him.

DUES DUE

It's that time of year again. Bring your

dues for 2007 to the club meeting or mail them to the club treasurer at the following address:

February Meeting

It has been a while since we had one of our large auctions so February seems like a good time to have one. Bring those odds and ends to the meeting and walk out with some cash or a stamp or two to add to your collection.

We're also going to have a discussion of what we're going to do about presentations, slide shows, etc. We really need to get an organized program going. To start things off we'll have Bob Lieb giving a presentation about Western Australian revenues for our March program.

Feb. Stamp Show

The Winter '07 stamp show will be held on Feb. 24-25 at The Mansour Center/ Center For Family Resources. The hours are Saturday from 10-6 and Sunday from 10-4.
